THE 1956

HIGHLANDER

For his inspiration, understanding and leadership, we appreciatively dedicate the fiftieth commencement edition of our annual, the 1956 HIGHLANDER, to MR. J. IRVING BROOKS, principal of Highland Springs High School for the past thirteen years. Always both friend and adviser to the students, Mr. Brooks will be remembered as a builder of Springer ideals.

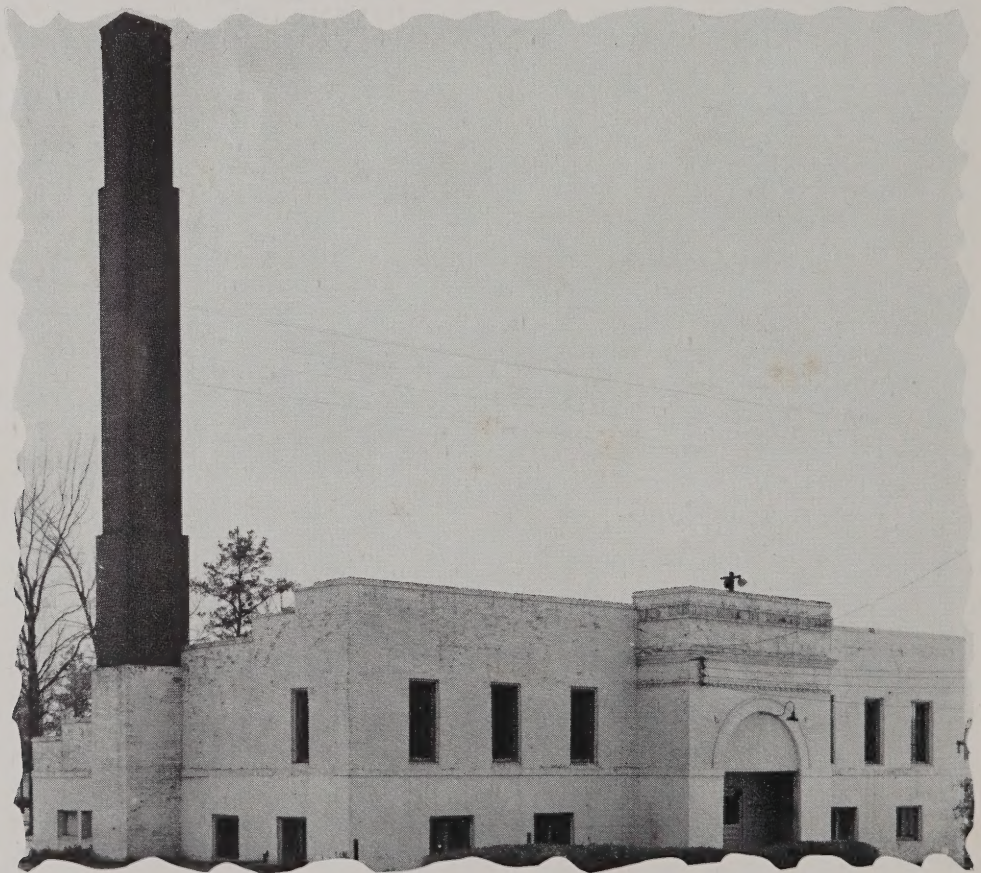

J. IRVING BROOKS

Foreword . . .

To commemorate the fiftieth graduation, this 1956 HIGHLANDER has been planned to show the growth of the school during this half century.

The ring, worn by every senior, is treasured as a symbol of the years behind and the years ahead; in the pages to follow we shall join the seniors in looking through this ring and seeing the things for which it stands.

The growth of the school in the preceding fifty years is amazing; the progress Highland Springs has made is due to constant effort and hard work. It is the hope of everyone who is a part of Highland Springs that in the next fifty years the school will continue to keep in pace with progress.

. . . Mid-Century Reflections

The first high school in Highland Springs had five pupils and one teacher when it was established in 1891. The school had grown to twenty-seven pupils by 1905, and these ranged in age from seven to sixteen. A one-room frame building, the school stood on a lot immediately across from the former high school building where a residence now stands. A four-room frame building on the lot immediately east of the present elementary school replaced the one-room school when it was outgrown in 1907. An eight-room brick school soon took the place of this building, and the present power plant is all that remains of it. Fire later destroyed the building and also the four-room school. The present elementary school building was constructed in 1941.

The present high school, pictured above, first opened its doors in 1952. In June, 1907, the first graduating class received their diplomas. The class was composed of six girls, in contrast to the present graduating class of one hundred and forty-seven.

These staff members are a vital part of our school life: the cafeteria workers provide wholesome food, the school nurse cares for the sick, and the secretaries keep the office running smoothly. All of them work to make each school day more pleasant.

Climaxed by Class Day and Commencement, this year has been a momentous one in each Senior's life. With diploma in hand, they leave the "Springer halls" with hopes for a bright future.

Junior Class Officers

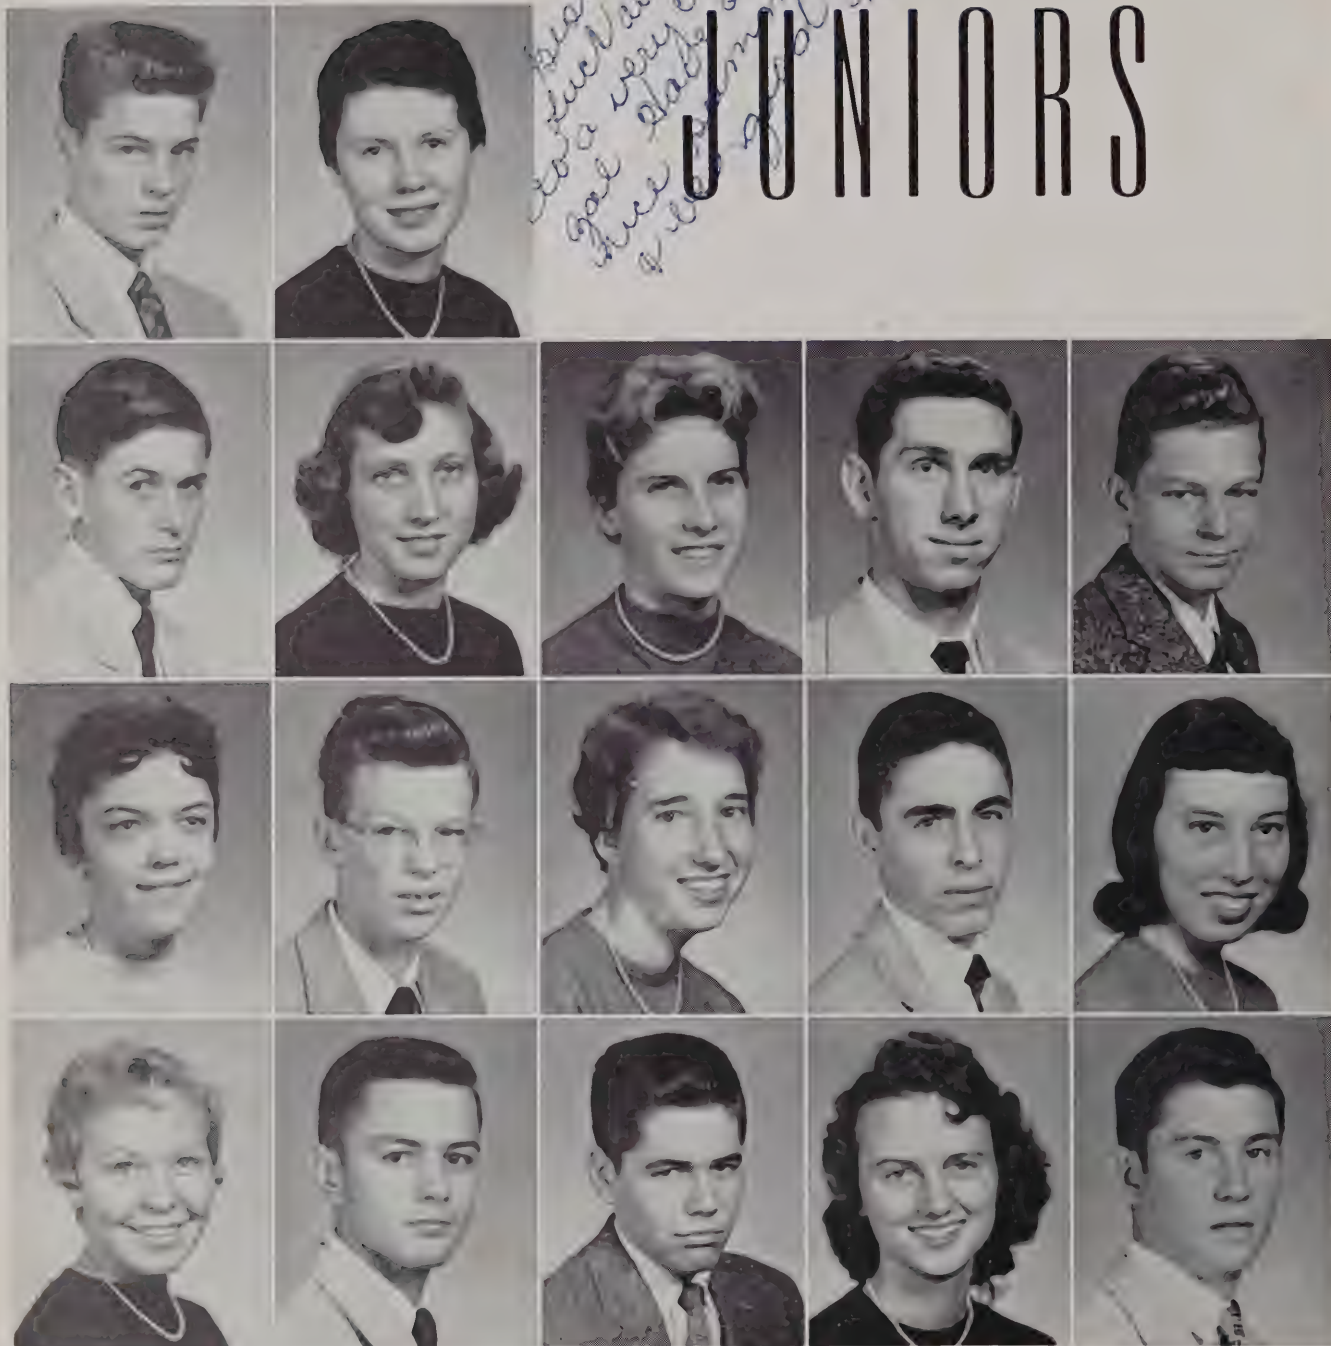

For many years it has been the tradition for the Juniors at Highland Springs to give a formal dance in honor of the Seniors. The Junior Class officers and sponsor direct the class in promoting this major activity. Throughout the eighth, ninth, and tenth grades, the class of '57 has been organized solely by homerooms. In order to develop leadership and promote a spirit of unity, now the class has organized itself as one group—the Junior Class of Highland Springs High School.

Left to Right: Bobby Wysong, Secretary; Donald Jellie, President; C. V. Giannotti, Treasurer; Miss Louise Dunlap, Sponsor; Marshall Sanders, Vice-President.

Through student participation in clubs and organizations the school has achieved a union of scholarship and companionship . . .

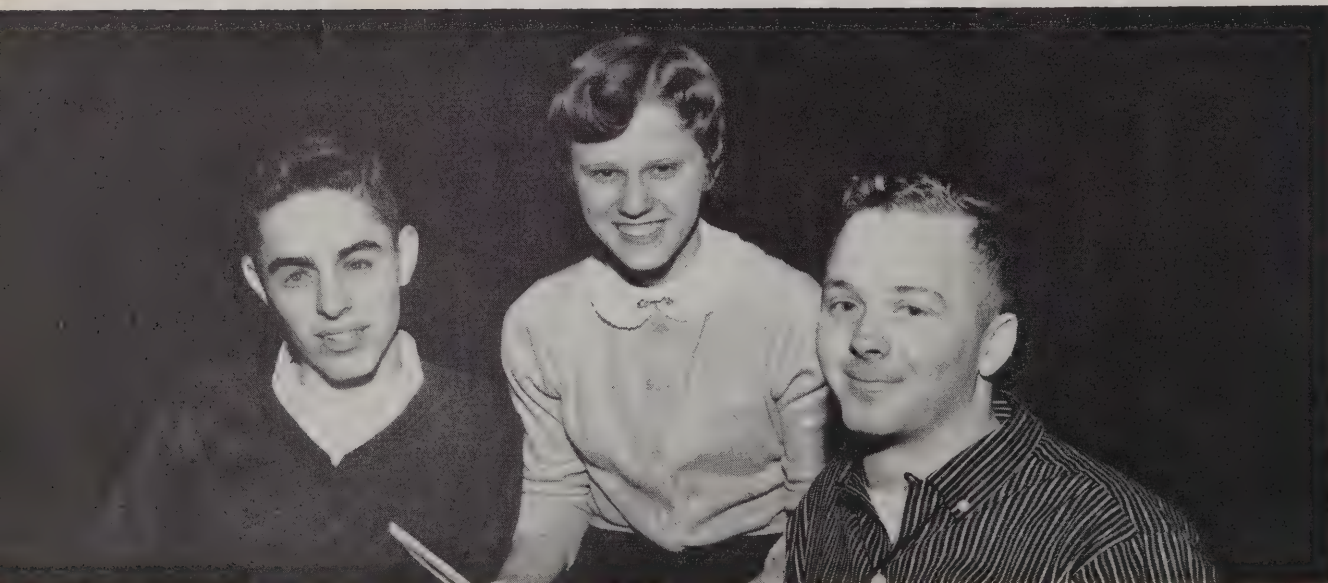

WILEY RIMMER
President

S.C.A.

The Student Cooperative Association is the backbone of all the school activities. It is the student government in cooperation with the administration, and encourages and promotes student participation in activities. The Student Council, composed of S.C.A. officers and each homeroom president, is the executive committee of the S.C.A. Through the S.C.A., leadership is developed and school spirit is unified. The S.C.A. committees provide necessary assistance in the school's functions. This year the S.C.A. entertained the student body with a talent show and a festive May Day. It provided each eighth grader with school handbook, and during the year gave a party in honor of the eighth grade. The S.C.A. sponsored "clean-up-week." A bronzed S.C.A. plaque was given the school by the S.C.A.

Membership is open to all students who have given unselfish service to their school and the community, given support and loyalty to their homeroom, the S.C.A., and other organizations. NATIONAL BETA CLUB

The National Beta Club, organized in 1944, is a service-leadership club for high-school students. It rewards merit, encourages effort, and elevates the moral welfare of the entire student body. This year the Beta Club presented a religious Thanksgiving program. The Club also sponsored a study clinic and an Honor Roll, composed of the students with good study habits and good attitudes, was started. The Beta Club Convention was held in Richmond this year. The Club gives a five-dollar award each year to the student achieving the second highest average in the school.

HI-Y CLUB

The Highland Springs chapter of the Hi-Y has been active in as well as out of school this year. Among its many activities, the club sponsored devotions in the cafeteria during both lunch periods each day and prepared a Thanksgiving basket. They also participated in the City-Wide Basketball League. This year the Hi-Y renamed their chapter in honor of Mr. G. Garnet Haynes, who has given his untiring attention as sponsor of the organization for the past eight years. A larger delegation than ever before represented Highland Springs at the Eastern District Conference, where two of them were elected officers, one of the District, the other of the Model General Assembly. The Hi-Y Club has tried to live up to its slogan to "create, maintain, and extend." Officers of the Club are President, Kenneth Witzgall; Vice-President, Joe Hardin; Secretary, Donald Throckmorton; and Treasurer, Pat Patrick.

Under the auspices of the Hi-Y, the blessing is given by Jerry Suyes.

Leadership Through Service . . .

KEY CLUB

The Key Club, sponsored by the Kiwanis Club of Richmond, is a service organization demonstrating leadership. It has been a part of Highland Springs for many years and has accomplished much. This year the Key Club, which is composed entirely of outstanding boys in the Sophomore, Junior, and Senior classes, under the sponsorship of Mr. Nicholas Somma, had many projects. The Key Club was in charge of selling all tickets for the basketball games, and presented an Easter Assembly. During Spring the boys had their annual Sweetheart Dance. Helen Sizer was elected Key Club Sweetheart. Their projects were not limited to school, for they put on a program at the John Marshall Hotel and attended a district convention in Washington, D. C. The Key Club officers are Wiley Rimmer, President; Kenneth Witzgall, Secretary; Berry Swilling, Vice-President; and Robert Flora, Treasurer.

Key Club members talk with the 1956 Sweetheart, Helen Sizer.

Glee Club members turn "hillbilly" for their annual operetta.

GLEE CLUB

The Glee Club, created for the purpose of promoting music in high school, is one of the school's most active organizations. Under the direction of Mr. Perkins and Miss Cox, the forty-one singing members of the Glee Club have had an impressive program. They presented a music assembly and a joint Christmas program with the band. Two highlights of the year were the minstrel and operetta given by the Glee Club. The Glee Club remains active in school, and also takes part in many outside activities, too, such as singing in community churches and the Highland Springs Woman's Club. The Glee Club sponsored an assembly in which they brought the Virginia Symphony Orchestra to Highland Springs for an entertaining program. This spring the Glee Club represented Highland Springs at the Annual District Music Festival.

FUTURE TEACHERS

OF AMERICA

The Future Teachers of America is a new organization at Highland Springs. The club is made up of students who are planning a career in teaching. Purposes of the Future Teachers are to learn facts about the profession, to develop sound traits of character, and to encourage other students to become teachers.

DRAMATICS CLUB

The Dramatics Club has been one of the most important extra-curricular activities at Highland Springs School for many years. The club promotes interest in dramatics among the students, encourages participation, and develops talent. The group often provides entertainment for assembly programs, and this year the club has presented a Christmas program, a one act play called "Spreading the News," and also a three-act play. The club held its annual picnic in May.

HIGHLAND FLING

The "Highland Fling," in twelve big issues, is an outlet of student creative effort, school spirit, and an informative record of the school's activities through the year. This year the school newspaper has added a new name-plate with two Scottish Highlanders at each end of it. The staff, too, has used more pictures in the paper. With the organization of a journalism class, the staff has learned more about copy, make-up, and layout of newspapers, and they have put new ideas to work. The "Highland Fling" strives to adapt itself to the varied tastes of the student, with such phases of articles as school and community news, columns, sports, editorials, features, and, of course, advertisements. Three members of the "Highland Fling" staff represented the paper at the Southern Interscholastic Press Association.

THE 1956 HIGHLANDER

For many years the annual has been important to Highland Springs students. It has provided a permanent record of each school year. The Fiftieth Commencement Edition required many hours of work and planning. This year's "Highlander" staff was divided into five small staffs: Layout, Literary, Picture, Art, and Business. Each staff had its own editors, and the work of each was supervised and aided by the Editor-in-Chief, the Assistant Editor, and the Sponsors, Mrs. Aurora Viscione and Miss Ethelyn Shepard.

HOMECOMING

The second annual homecoming at Highland Springs was observed October fourteenth. Alumni as well as parents and friends participated in the day's festivities. Gertie Banton, a senior, was chosen to reign as queen of the Homecoming Day. In her court were ten princesses. The day began with a Junior Varsity football game. The P.T.A. was in charge of the food. Following supper there was a parade down Nine-Mile Road, led by Dr. Davis, Superintendent of Schools, the principal, Mr. Brooks, and assistant principal, Mr. Kreiter. Next in line was the Homecoming Queen and her court. During half-time of the varsity game with Fairfax, the queen was officially crowned by Dr. Davis. It was the first anniversary of the dedication of Bailey Field also. The speakers were presented and the cheerleaders performed the Highland Fling. The football game concluded Homecoming Day.

JUNIOR-SENIOR PROM

"Dancing In the Dark"

The Junior-Senior Prom, an annual event at Highland Springs, was given by the Juniors in honor of the fiftieth graduating class on March 3, 1956, in the school gymnasium. "Dancing In The Dark" was the theme, and the dance was set in a colonial garden. Kenneth Henderson and his orchestra provided music for the occasion. The Junior and Senior officers led the figure, and the couples passed through a dogwood covered arch as they were announced by Mr. Victor Kreiter. A star, a '56, and musical note were formed.

VARSITY

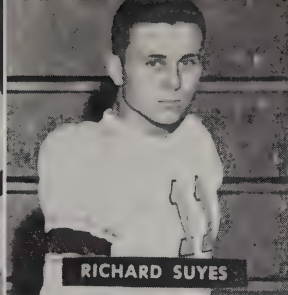

Springers made tremendous progress this year by posting a four won and six lost record against some of the toughest opposition in the State. Wins were registered over Manchester, Petersburg, Lane and Fairfax. The most important triumphs were the thrilling 20-13 win over Manchester at Parker Field and the 25-7 victory over Petersburg. Although beaten by Warwick 7-6, the Springers played one of their better games of the year on mud-swollen, rain-soaked field. Coach Rinaldi's charges had to play minus five regulars, yet were not beaten until the last thirty seconds of the game. Good games were also played against Thomas Jefferson and Lynchburg, although the Gold and Black came out on the short end of the score on both occasions.

In addition, Billy Martin made the first All-Metropolitan team, while Carlton Rowe made both the second All-Metropolitan and All-District teams. Next year's schedule promises to be the most difficult in Springer history. The Highlanders open with Hopewell, then follows Thomas Jefferson, Warwick, John Marshall, Fairfax, Petersburg, Manchester, Lane, Hermitage and Chester.

VARSITY BASKETBALL

The Boys' Varsity Basketball team attained this year their best record in the three-year standing in Group I competition. The team had 15 wins and 6 losses for the season. Wins were over Andrew Lewis, Petersburg, Hopewell, Lane, Manchester, John Marshall, Freeman, and Hermitage. The Springers were defeated by Benedictine, Thomas Jefferson, Hermitage and Hopewell. The basketball award for the Best Foul Percentage went to Tommy Garrett. Tommy had a percentage of 75 for foul-shooting and also was the highest scorer with 306 points through the season. Best Defense went to Berry Swilling, Most Valuable Player went to Jerry Suyes and Best Spirit went to Wayne Fifer. Mr. Paul Webb coached the team into a tournament berth. By winning the play-off with Hermitage, the Springers went into second place in Group I standing. This entitled them to be in the State-Wide Group I tournament, but in playing they lost to George Washington of Danville.

GIRLS' VARSITY BASKETBALL

The Girls' Varsity team finished the season with 4 games won and 7 games lost. Teams defeated were Hermitage, twice; and the H. S. faculty team. They were defeated by St. Gertrude's, twice; Varina, twice; Freeman, twice; and Longwood College. Despite these heavy losses, the girls never lost their "Springer spirit" and displayed good sportsmanship on and off the court. The two highest scorers were Barbara Mansfield, with 104 points and an average of 10.4 points per game, and Mary Dawn Perry, with 88 points and an average of 3.9 points per game. Co-captains for the season were Ann Broaddus and Barbara Mansfield, and the team was coached by Mrs. McCarter. A highlight of the year for the team was a week-end trip to Longwood College where they played the Longwood team on Saturday. Even though several of the girls are graduating, next year offers new hopes as there are many prospects for the team from the junior varsity. CHEERLEADERS

The cheerleaders at Highland Springs have supported the teams and encouraged school spirit through the years. This year the squad, sponsored by Mrs. Triner, started practicing in August in preparation for the busy schedule ahead of them. In October they participated in the annual cheer rally at the John Marshall Hotel which was sponsored by the Thalhimer's Club 16 Teen Council and they danced the "highland fling" in Highlander Kilts at the Homecoming game in November. The cheerleaders supported all the football and basketball games and were rewarded for their hard work in December at the football banquet. Each of them was given a megaphone pin by the football team. The year was highlighted by the squad riding in the Tobacco Festival parade and their participation in the minstrel show in April. During the last week of May the cheerleaders and the sponsor had a banquet, which the newly elected cheerleaders also attended. The head cheerleader for next year was elected at this banquet.

VARSITY BASEBALL

In their second year of Group I Competition, the Springers faced tough opposition. Teams on the schedule were Manchester, John Marshall, Thomas Jefferson, Petersburg, Benedictine, Hermitage, Hopewell, and Varina. Each of these teams, with the exception of Varina, was played twice. The team was led throughout the season by top-hitters Berry Swilling with a percentage of .465, and Donald Throckmorton with .310. Co-Captains for the season were Berry Swilling and Jerry Suyes, and Berry was also the best pitcher in a game. Seven regulars—Donald Throckmorton, Wilson Martin, Jerry Suyes, Leroy Allen, Berry Swilling, Jimmy Matheny, and James Huckstep will graduate. But the seven returning juniors—Kermit James, Billy Martin, Conley Taylor, Carlton Rowe, Stuart Garner, Jerry Shifflett, and Sonny Ford, and the two returning sophomores—Charles Banton, and Johnny Garnett, along with the Junior Varsity regulars who will move up, anticipate a successful season next year.

TRACK

This year the track team had only three returning lettermen and the season's outlook was gloomy. However, they captured a good record for the season. The team scored a victory over John Marshall in a meet after losing two meets. The track boys also had a win over rival Varina. In the county meet Highland Springs track team took second place. They also attended the District meet in Hopewell and the state meet in Williamsburg. Robert Mantlo, who has over forty points, was high-scorer of the season. Another in the high scoring bracket is Austin Bishop, who leads the Springers in the pole vaults. Three lettermen, Jerry Suyes, Berry Swilling, and Donald Throckmorton, all seniors, tried out for track for the first time this year and have been a vital part of the team. Eight points are necessary to obtain a letter and the points may be compiled over the season. With so many boys returning for track next year and under the able leadership of Coach Berry, the team is anticipating a victorious season next year.

The Mark of a Champion . . .

WHEN a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.
